# What is Young IPWEA?

**Networking group for under 35's and new engineers to the industry. It has been formed to develop the next generation of leaders in our rapidly changing sector.**

**We aim to grow the skills, confidence, competence and influence of young public works professionals, through:**

- networking events
- mentoring programs
- online forums
- committee meetings, and
- direct access to your IPWEA representatives.

# Young IPWEA NZ Committee

### Join us for the Asset Management Challenge !

#### What is it?

Three teams across New Zealand will be working on asset management projects over an 18 month period to benefit a charity of their choice.

#### Stage 1

Involves an assessment of current AM processes and recommending an improvement plan.

#### Stage 2

Includes carrying out one or two of the tasks, picked by the judges and the committee, that were identified in the improvement plan.

#### The Final Task

A presentation of the teams work at the NAMS forum to the judges and conference delegates.

#### Your Team

Each team will be made up of two experienced AM professionals and 8 to 10 people eNAMS members that have less than 10 year experience in AM.

#### Why get involved?

This challenge is about picking up new skills in AM, connecting with other professional in asset management, helping out a charity and having a bit of fun. You will also have a chance of winning the first ever eNAMS in partnership with young IPWEA AM Challenge.
