THE OPPORTUNITIES, THE EXPERIENCE, AND THE LESSONS LEARNT

# Site Engineer

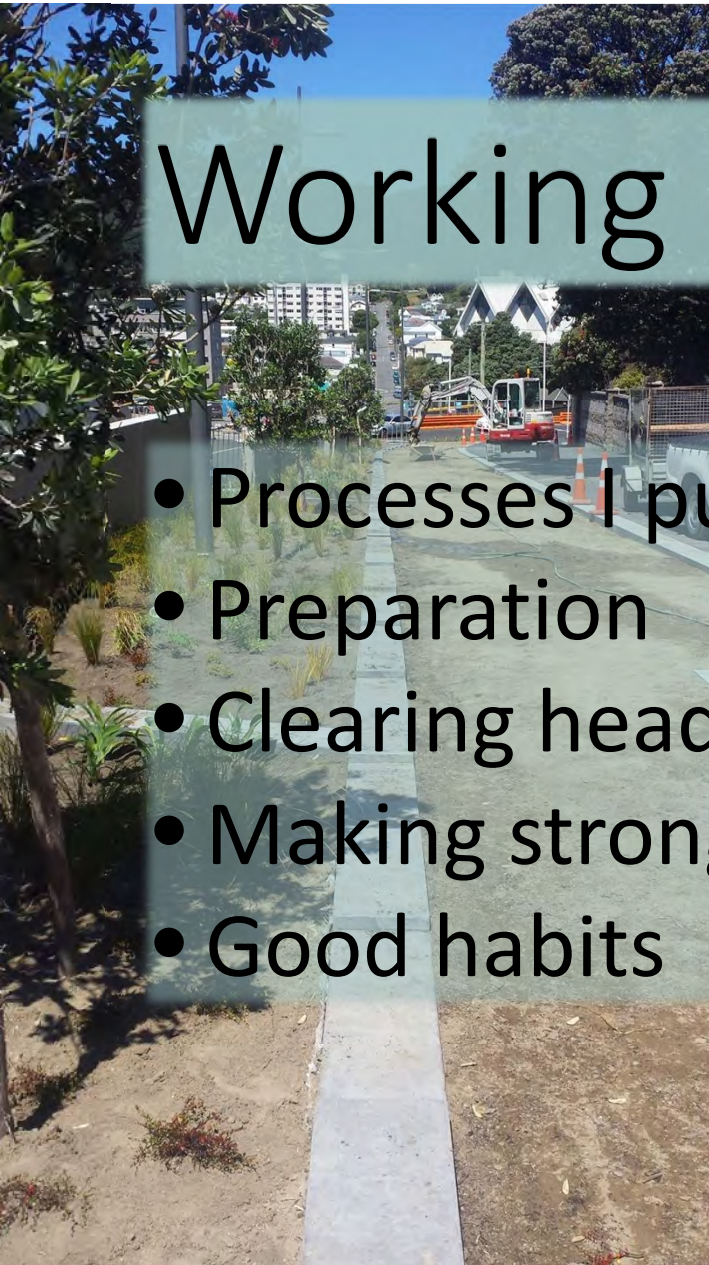

<https://www.youtube.com/watch?v=DNHoOA3TM58>

# Working on Myself

- Processes I put in place
- Preparation
- Clearing head
- Making strong decisions
- Good habits

# The Importance of Working Relationships

- Everyone has an opinion
- Collaboration
- Stress free environment
- Working for each other
- Sense of pride in our work
- 'Family' vibe

# Working to Deadlines

- Make sure all my bases are covered
- Always a step ahead
- Prepared for the worst
- KEEP THE BALL ROLLING

Did I achieve what I had set out to do?

# Queenstown Lakes

1. Create a strong working relationship
2. Make things as easy as possible on all parties
3. Produce a quality result that everyone is happy with.
